This publication is for Christians who take seriously the whole word of God, the Bible. As Christians we must be always yielded to God's will and His word, growing in grace and knowledge, changing into the perfect image of Jesus Christ. Therefore we are extremely open to hear and learn new truths founded on the word of God. We welcome your presentations, sharing, questions, and even corrections when warranted, out of the word of God, which is the sole authority.

Doing His Will On Earth

"...ye know not what shall be on the morrow. For what is your life? It is even a vapor, that appeareth for a little time, and then vanisheth away. For that ye ought to say, If the Lord will, we shall live, and do this, or that. .. Therefore to him that knoweth to do good, and doeth it not, to him it is sin." (James 4:13-17)

*"For it is God which worketh in you both to will and to do of His good pleasure."
(Philipians 2:13)*

It is a good practice in all things to say "if the Lord will, we will do this or that" as our life is a vapor. It is important to remember life is short and to see if what you're choosing and doing counts in your eternal record. One way of doing this is how Jesus said that He says nothing and does nothing except what our Father has given Him to do, and He will & can only do His will since He is the spotless lamb and the King of Righteousness who cannot violate even one of His commands.

Many say they're seeking to do God's will. There is only one test as to what His will is, which is His eternal law. The Holy Spirit can never lead someone against God's law. Only our own flesh and the world can lead us on a destructive path outside of God's will. His will is His WORD, AKA "the Bible". If you want to know His will in your life, you'll find it in the pages of His word. The complete revealed will to His people is His word or law.

In all cases Jesus kept God's law perfectly, He lived the word better than any other. For example, the Sabbath was made for healing and He did 7 healings on the Sabbath days. Jesus spoke the truth saying the Pharisees **do REJECT the law of Moses by their man-made traditions** (Mar 7:7-9) when He was accused of breaking their laws.

Many churches today also fall into this rejection of God's WORD through keeping their own unbliblical man-made traditions. We know God had already promised that **"..they who reject knowledge, God will in return reject them..."** and as a result **"they who forget His law, He will forget their children"**. (Hosea 4:6)

Our daily prayer is to be that we and others do God's will in the earth, just as His will is being perfectly done by the angels in heaven; for we have been told to pray, that His Kingdom does come to earth:

Matt 6:10 "Thy kingdom come. Thy will be done in earth, as it is in heaven."

Those that teach we need to "abide in Christ" leave out this important truth:

"He that saith I know Him and keepeth not His commandments, is a liar, and the truth is not in Him. ... Hereby know we that we are in Him.." (1Jhn 2 4:5)

Since Christ is called the word (John 1:1&14), how can anyone think we can violate his word-law and still abide in Him? The way we know we have a relationship with Christ is by how much we are doing His Word. Jesus is the eternal word that spoke the heavens and earth into existence, not confined to the so-called New Testament.

James 1:22 reiterates this requirement of keeping His commandments:

"be ye doers of the word, and not hearers only..."

The Rock of Cashel.

The site St. Patrick converted the King of Munster in the 5th century A.D.

For those who think faith (or faithing as Dr. Gene Scott put it) doesn't have to include obedience are far off from His Grace and Freedom working in their lives.

Jhn 15:10 "If ye keep My commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in His love."

Romans 10:17 says **"Faith comes by hearing the word"**. "The word" being the law of Moses. So we know how faith comes. Hearing is not the only part, **"Faith without works is dead"** (James 2:17).

If you believe a commandment, (or word of God), you would then show the outward evidence of obeying that command.

We must return to biblical definitions of words, as we **"live by every word"**. The definition of sin is violation of God's law (1John 3:4). If the spirit sets you free from sin, then the spirit will empower you to obey the law of God.

As Jesus said we must do it in love for God, not tradition. It has always been the heart condition He is after, which is what God said, when referring to the New Testament, that those same laws would be written on our hearts (as per Heb 8:8 and Jer 31:31).

The Holy Spirit will never make you violate God's law. Only the wrong spirit working on the lusts of the flesh will give us such thoughts.

We should grow daily in grace and knowledge, knowing **"a good understanding have all they that keep His commandments"**. (Psalms 111:10) In John 8:31-32 Christ said **"...they who continue in His word will know the truth, and the truth ...will set you free,"** not they who disobey or reject it. He said **"if you don't believe Moses' word ye CANNOT hear me or know me"** (John 5:46 & Luke 16:31).

Grace is the Greek word Charisma where we get the word Charismatic for a very capable and gifted person. This word Charisma is also translated as some of the manifestations of the Holy Spirit, such as when you through the power of God lay hands on someone for healing. This is called the charisma or gift of healing. Romans 1:15 says **"Grace(charisma) is for obedience"**. A good example of biblical grace is **"For it is God which worketh in you both to will and to do of His good pleasure."** (Philippians 2:13) This isn't our own righteousness when He does it. The Holy Spirit fills us with both the desire to do His will and the power to do it.

Many like to quote **"we're saved by grace"** and not finish the sentence which continues **"..through faith unto GOOD WORKS"**. When the last part is left out people are highly misled to move on with the complete opposite idea the bible conveyed in that passage. The Blood of Jesus Christ permanently saved us by His own dear grace, but for what? To do His good works! It is not the good works that save but we're saved to do them, people have just had it backwards because no amount of Good Works can earn your permanent spiritual salvation. It is only gained by accepting Jesus Christ's penalty paid through His blood.

When our King Jesus the Christ was asked what is the greatest commandment He first said **"Hear O Israel"** quoted from Deuteronomy 6:4, **Mar 12:29 "And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord:"** That word HEAR in this passage is the word SHAMA (the word for responding & obeying in Hebrew). Faith comes by "HEARING"; again we see we get faith by obeying what we heard, as we continue doing His will which is His word law.

His will and His word are one and the same, so it is up to us to now choose. Our old flesh nature will not want to do the law, only the spiritual nature will. **"For I delight in the law of God after the inward man: But I see another law in my members, warring against the law of my mind, and bringing me into captivity to the law of sin which is in my members."** (Romans 7:22-23 and **"the law is spiritual"** (Romans 7:14).

Now Choose **"As ye have therefore received Christ Jesus the Lord, so walk ye in him:"**

Importance of Praise

“Enter into His gates with thanksgiving, and into His courts with praise: be thankful unto him, and bless his name.” Psalms 100:4

Praise is the next step after being thankful. Thanksgiving takes an acknowledgement or “counting our blessings”, naming them one by one. After we acknowledge the great things God has given us and are thankful for them we come closer to putting them into use. It is like digging a tool out of your pocket, so you’re now able to use it, or PRAISE by the power of the Holy Spirit.

Praise is the word “halal” in the original, meaning: to shine. We are called lights to the world, so let us bring the light to surface, or shine the greatness of our God victoriously in a dark and lost world.

We have many deep studies and vast material on the scriptures and teachings of praise. I’m sure your spirit bears witness with my spirit, and the Holy Spirit, and can see the value of renewing your mind in these teachings. Yes, “Having put off the old man, putting on the new man that is renewed in the knowledge of the image of Him that created him” If you feel richly fulfilled by these deeper studies and teachings, what better time to recharge your spirit than with our Sabbath broadcasts. Through regular worship services, even online, it can provide enough spiritual food to meditate on, to last the week! However, that is only for those without a home church. Everyone listening should endeavor to expand into a local assembly. We do also recommend mid-week Bible Gatherings.

Many verses tell us to Praise God. 1John 4:7-8 says God is Love, so showing Love is one form of praising God.

Now lets put praise in its’ primary biblical context “Praising His Name”

Psa 44:8 “In God we boast all the day long, and praise thy name for ever. Selah.”

Psa 113:1 “Praise ye the LORD. Praise, O ye servants of the LORD, praise the name of the LORD.”

Psa 135:1 “Praise ye the LORD. Praise ye the name of the LORD; praise Him, O ye servants of the LORD.”

Ancient Church of Whithorn, Scotland. Built by St. Ninian, born 360AD in SW Scotland. He studied at Rome, and was consecrated as a Bishop by Pope Siricius.

If you lookup the word 'Name', or 'shem' in the original, it is also the word for 'character' or 'nature'. So "shine the character / nature of God" If you're being "renewed in the knowledge of the image" and are in hour long bible studies on these levels of understanding I believe you'll witness a great outpouring of the spirit few people understand. The Bible tells us not to look at what is seen as it is only temporal, but look to the unseen which is eternal. We're to "let this mind be in you that is also in Christ" to believe like Christ, walk like Christ, talk like Christ, "Herein is our love made perfect, that we may have boldness in the day of judgment: because as he is, so are we in this world." 1 John 4:17.

As you can see we can camp out on any of these verses and have powerful and liberating Holy Spirit filled studies, realizations and experiences.

Lets break down this verse "as He is" if you know English this clearly is present tense, and refers to exactly how Jesus Christ is right now. Well where is He ? He's in heaven ruling and reigning, victorious, resurrected, perfect. He is doing great, he is above all power and principality, all power has been given to Him in heaven and in earth; nothing can hinder Him. We can all be at least 2/3 there while we seek Him with all our heart. "I will be found of them that seek Me with all their heart" Our bodies are the last to reach the heavens when He returns, yet the inherent abilities, legal position, and the Helper, the Holy Spirit when we yield to the word can exemplify and Praise the name of God. Not only in the moment, but on the full example of our lives as Christians, with a legacy to leave behind. Showing loyalty is one form of praise, Such as showing Loyalty to Generations of Christian Grandparents.

Yes, our spirit, soul and bodies can get more spiritually intune when singing biblical hymns, choruses, psalms, or making your own song as you go along your day singing "I love you Lord!" melodies and other thanksgiving psalms to God out of your heart with your own words, singing a new song, being joyful as part of "praying without ceasing" and "His praise continually being in our mouth" "Praising Him all day long" Being positive, operating in Love, Joy, and peace is the key. Realize those around you are either going to get Christ soon or already are with Christ. Have faith in others just as Jesus Christ had faith in us when He gave Himself up for us that we would find Him. He in his mercy showed us love so we might also love Him, and receive Him.

The next time you read the Bible about anything concerning the believer, try stopping right there, praying and thanking God for it. Speaking what God has given establishes it in your heart, it renews it in your mind to achieve it in your life, and results in your Praising of Him, the word, the truth, the light.

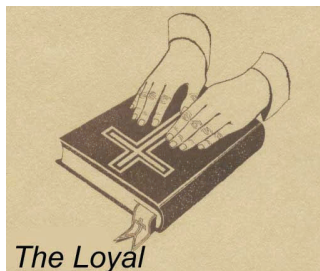

We seek to Bring our Audio Sermons to stations around the world.

"God is Love, so showing love toward one another is one form of Praising God."

Until the Lions & Wolves lay with Lambs in a new heaven & earth, no jots or tittles can pass from God's law. (Isa 11:6, Isa 66:22-23 and Mat 5:18)

*The Loyal*

Praising God can be showing loyalty; especially to our God's Word, His Church & Family.

For those only listening in via web or are part of smaller Bible Study groups we encourage you to get hymn books and sing hymns before starting many of your Bible Studies. Having a small Bible reading before a Bible Study, Sermon or Presentation is given also works great. Some groups which want to be more interactive may choose opening formats that include prayer requests & praise reports.

You can order our Praise and Worship Set #1 and #2. These are great to distribute to any aspiring musician. They may see it as a great opportunity to practice their skills during worship. That also would be an important contribution to your Assembly.

Christendom, the Forbidden Cultural Society

The words European and Christendom have been one and the same thing as widely recorded for well over 1,600 years, as nearly every city of Europe had copies of the gospel in the 2nd Century AD via the Apostle's Creed and were officially a united Christian Empire in the 3rd Century. Arabs recognize that Europe is Christendom they're at war with and seek to conquer it to become their land, Islam. Anyone can do a quick survey of church history to confirm the fact that until the dawning of the 17th century, Christianity was confined to the Caucasian population of Western Asia, Europe, Scandinavia and the British Isles. Rome didn't organize the first councils on Missions to the Non European world until the 1600's.

Loving our own culture is taboo

When foreigners and classes of other cultures promote their culture to be superior, no one in the west imagines calling that racist or hateful. We actually believe it is beautiful for foreigners to take pride in themselves, to love and respect what God has made them. It is only in the non-Christian, non-European countries that foreigners are so completely disregarded. Only in Western Christian countries are foreigners allowed to protest against our governments in the streets, even if they are presently in the country on a purposeful illegal basis (such as the 6 million Mexican march this year waving their Mexican flags on US Soil). Their home countries don't so openly welcome hostile foreigners, let alone give them such additional rights. Many of these peoples flooding our borders have different ideologies; to some they all agree on Islamic conquest of the West as their religion requires; while others carry an ideology that Mexicans are entitled to conquer Canada as repayment for so called stolen lands by a race which they blindly hate, called Caucasian. Many Asians feel they've been kept under the thumb of Tyrannical Western Occupiers and their trade embargos. No matter what country they're from all agree they must prevail in destroying our economies, exporting all our jobs, and shutting down companies for their homelands to finally rise above third world status. Many foreign nationals share this closely knit opposition to the host and unite together with one another on common attacks toward & against all that they hate. Their hate is not concealed, you can hear their biases loud and clear any time European culture and history is discussed. All are united for the fall and destruction of Christian society under demonic/satanic guidance against Jesus. Our views and news are carefully handed to us by criminals who have hijacked our country, who profit off of our own destruction. Powerful Banking Families, Thieves, Tyrants, Liars and Blasphemers who speak against Christ the Savior run our media, and nearly every institution outside of God's church that affects our lives. They all think they have us ensnared but God and those who are with God will laugh at that.

The Big Mistake

The first warning sign to our people should have been if they speak against Jesus not to listen to them or believe them. It was illegal up until the mid 1900's to openly speak out against Jesus in America. God had forewarned us, "He that does not believe Jesus is the Messiah, the Son of God is a DECEIVER, LIAR, and an ANTICHRIST"(1John 2:22, 1John 4:3, & 2John 1:7). Quick proof someone is on the side of good is that they will say Jesus Christ is Lord, confessing it openly. Yet many Christians are led to get all their guidance from those who actually say the opposite; who reject Christ, many who despise Christianity. To our shame many Christians go to unbelieving counselors and psychiatrists who do not believe in Christ; not to mention attorneys, financial planners, Doctors, etc, putting all of their trust and life under their control, just as God had forewarned us not to do. The answer however is simple, just refrain from non-Christian counsel. A quick warning sign is you hear they're from another religion, or there's just no Christian symbols in their offices. Some churches these days even get their theology consultations from openly deniers of Christ, such clergy should be ashamed. Instead of hearing the standard beautiful things of love and Christian cultural practices in the media, we have alien-based sources of cultural indoctrination that is against Christ. The biggest (most well funded) radio commentators speak out against everything moral, against everything of common decency & Christian culture. You'll only hear and see glorified the profane; just a few minutes of MTV or a common channel proves this point. We hear how new steps are being taken to go even more against the very fabric of what kept our people Blessed and protected. Perhaps it is worse having so-called Christian leadership that are indoctrinated by these AntiChrists; the blind leading the blind into a ditch.

God's Protections & Blessings

There are three major covenants (promises) of God's Blessings & Protection of His people as outlined in His word.

#1 Blessings & protections for receiving Jesus Christ's Blood atonement for our sins (Galatians 3), even the great blessings & heritage that were given to Abraham.

#2 Blessings & protections for obeying God's word.

#3 Blessings & protections for keeping the purity of one's blood/race.

All of our blessings come from the Graces of Jesus Christ and living by His word. The devil and all the powers of the world are against the Christian peoples who have the divinely promised prosperity. The only Curses come from straying off God's path. We're recorded primarily as a Blessing and Servant people to the world throughout history. The one people that give freely to the whole world of our abundance, truly blessing all of the nations of the world with inventions, enterprise, food, sanitation and medicine with the Blessings God has divinely only given to our people by the Graces of Jesus Christ. The one people who have Jesus are also the people who are the most

blessed so they can do their job of being the blessors and priests, loving the rest of the world. God controls the rain, the increase, and the ideas within our minds. Everyone from all over the world want to flood our borders, because we have the blessed cities of peace, the cities of God, the new Jerusalem cities all over our lands, for the reasons outlined above. As the Pastor of the largest non-Denominational Evangelical Church in America, Chuck Smith, rightly stated, "God is allowing all the misery and curses to come upon our land for bringing in all the foreign idols and gods".

Christendom has remained European for 2,000 years, God's same bride of the old testament is the same Christian-Israel bride of the new testament. Simply put, those in right standing, living as Christians, are used by the Holy Spirit. Their Bodies, Minds and Spirits are used by God. Even our bodies alone are called Temples of the Holy Spirit. Once the Spiritual People are "taken out of the way", then the great wickedness of the Beast will be revealed as described in 2Thessalonians Chapter 2, describing the great tribulation period. Yet, in all this, the answer is simple in verse #15: "Therefore, brethren, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle."

Advancing in the Face of Growing Opposition

The peoples of foreign societies and their allies are a thousand times worse than Hitler against the jews, they never flinch in their assault on Christendom. There is now the greatest market going (because of out-of-control immigration) and funding campaigns going solely towards the attack of anything Christian in our own Christian communities and lands. "Discrimination" is a term used only against Christians. "Discrimination" is now a charge against any Christian who is so persecuted that they are forced to disclose their injury. Hate speech against Christianity doesn't apply. They expect us to ignore any assaults and be In-Discriminate.

Dictionary Definition of INDISCRIMINATE: "Confused, Chaotic, Not making careful distinctions, Random, Haphazard." (American Heritage Dictionary) Take your pick.

If we bring light to give exposure to the majority of crimes committed against ordinary Christians there is a plethora of government funded slander committees with their weapons all aimed for the attack. One example is the LaRaza organization in America, a Latino version of the KKK, except they're openly funded by the Federal Government, and Bank of America, Budweiser beer, and a big number of additional major sponsors. Currently one of the few political parties in Britain, who currently won about 170 local seats, the British National Party, was on trial for releasing a statement that Second Generation Pakistanis will Bomb the Tube tunnel. Then it came true, not once, but twice, that these same people who grew up in a multicultural city could not tolerate what is now mere remnants of a Christian society. Several B.N.P. members who were on trial for disclosing the truth were thankfully decided NOT GUILTY by the jury. This type of free speech can be as vital as

saving us from cold-blooded murder bombings that did, in fact, happen July 7th 2005, and July 21st. It is too bad that opposition to free speech is found within our own Governments. Millions of Muslims openly confess to anyone on the street of their racial and religious struggle of Islam, even in spite of much of the bad rap people are giving them. Mexican reconquista is taught in all the community colleges of America, where complete hatred for the white race is taught. There is only one taboo over which anyone will want to spill your blood, and that's promotion of Christendom. This is a spiritual warfare that can only be won through praying, confessing our sins to God and obeying God once again as His servants collectively. Only Jesus can get us out of this mess, if we repent, humble ourselves before Him, and return unto Him, then He will return unto us and heal our land.

In many Asian countries Christian churches have been forbidden for thousands of years because they openly promote their Ethnic culture to be supreme. We all know Arabs believe Islam is supreme, and many of their countries have a death sentence on anyone who converts to Christianity, such as the constitution of Egypt, Saudi Arabia, Afghanistan and Iran currently. Black Islamic groups in America threaten, kill, and burn down houses of any white person who openly promotes historical Christianity, just as the Moroccans threaten Europe, yet this is tolerated. We have to use pen names, PO Boxes and Self censorship for fear of reprisals from any non European, and even non Christians and the immoral who can be even more easily offended than a Muslim when we profess openly we believe in Jesus Christ. He is the one they fear the most so we must be prayed up and prepared, God will lead us to victory in Jesus name. It is them who have the fear, so don't let their anger & fear intimidate you. Our Christian Love will always win. It is through His name we have the victory, not only speaking but using the name / Character, by being a good Christian. Yet our own people seek to not only retire Christian principals but actively fight against the poor and innocent; even becoming warriors for the other side such as the sodomite liberation groups, etc. Many of these groups seek destruction of the Christian family unit with cruel intentions such as NAMBLA(North American Man/Boy Love Association) that has been changing laws in regards to allowing pedophilia around the world. By their fruits you will know them, and we learn who to separate from among acquaintances. The bible tells us the time is short and we don't have time to make the unjust to become just, or the filthy to become clean, but let him that is righteous be righteous still, and they that are holy let him be holy still. We should be interacting with people who are church-ed in a good upbringing, or have the fully willing and dedicated heart to do so if their parents never gave them the benefit. There is such a great counter-culture against everything Christian, it makes it necessary to beware of nonChristian influences in your family, and give your children every opportunity for an unhindered Christian upbringing. Again you may wonder why there is such an attack on our culture and not any other. It is simply put that Satan isn't concerned with the other Cultural Societies because only Jesus is the world's Savior and is the only threat to the devil who knows his time is short. Also God is raising up heirs who will earn their inheritance by yielding to the power of the Spirit and being overcomers, not just falling asleep or being a baby Christian their whole life, but growing in grace & knowledge, to then use what God has miraculously blessed and specially given you. However let not this discussion end with statements of the problem, but in the solution, speaking the positive things. That although we enter into the time of trial, and Jacob's trouble those who still listen and obey God will be saved out of it. "we will overcome the devil by the blood of the Lamb and the word of our testimony."

The paths of righteousness may lead us in the valley of the shadow of death, but we shall not fear, as Psalms 23: 3-4 states. According to Matthew 5:10 those who are persecuted for Righteousness' sake, have the kingdom of heaven operating in their life.

God wants to lead us into unity within Christendom "For Judgment must begin at the house of God first", then social injustices naturally will work themselves out on their own. Although Bible Believing Christians are a Minority voice in politics and media, still 93% of Americans profess to believing in the Christian God, and 70% think Christian prayers should go back in schools(Gallup Poll). Christians must unite.

Mercury Poisoning in Vaccines

Vaccine Truth

"vaccines are entirely and purely voluntary, normally by your own request. If you have any questions we recommend contacting a qualified M.D. such as quoted from in this article"

As of 2008 the current type Mercury used in 6 major vaccines in America is called thimerosal, an organic form of Mercury, and here are the facts concerning it.

The Mercury Vaccine Facts:

A 0.1% solution of thimerosal is used. A 0.5 cc dose contains 25 mcg of mercury

Water Contamination = 2 Parts per billion.

Toxic Waste = 200 Parts per billion.

EPA Allowable Fish = 700-1000 Parts per billion.

0.5 cc Vaccine = 50,000 Parts per billion

(—Dr. David Ayoub, M.D.)

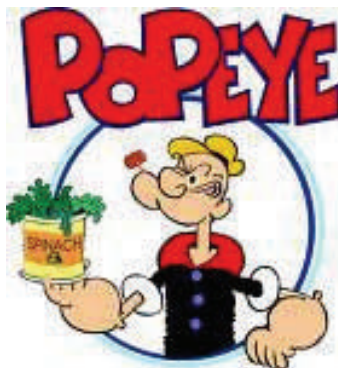

Vaccines have 250 times more concentrated deadly mercury than pure toxic waste, and since it is injected straight into the body rather than cleaned out through the body's protection mechanisms in the digestive tract, we're talking about beyond mercury poisoning. According to many expert medical witnesses & court findings it is beyond negligence.

After countless lawsuits against vaccine makers, tying them to a long list of diseases such as Autism, all but one manufacturer (the largest one) has been put out of business. Last year Bush Executive Order 10789 was put into place that protects this vaccine producer from being sued for any well proven injury caused by injecting this poison. Yet according to the FDA's report in Nov. 30th 2006 on Thimerosal in vaccines, America still needlessly uses Thimerosal in 6 major vaccines.

There are a lot of myths out that vaccines have cured the larger diseases, propaganda put out by Rockefeller family who owns 99% of the vaccine industry, as well as much of the oil companies they use to make the pills. There has been no proven benefits of vaccinations and many times people still get polio, hepatitis, small pox, measles, mumps and every other disease even after they were vaccinated for it, this is a medical fact! However, a real proven cure has been things such as the removal of improper pesticides such as DDT from farming. Removing the cause of the illnesses.

Banned around the world, but not in the United States

Thimerosal was nearly eliminated in many countries 20 years ago. In 1977, a Russian study found that adults exposed to ethylmercury, the form of mercury in thimerosal, suffered brain damage years later. Studies on thimerosal poisoning also describe tubular necrosis and nervous system injury, including obtundation, coma and death. As a result of these findings, Russia banned thimerosal from children's vaccines in 1980. Denmark, Austria, Japan, Great Britain and all the Scandinavian countries have also banned the preservative for children. Most adult vaccines throughout Europe still contain thimerosal. In America this so-called "preservative" is approved to continue to be used up until the year 2010.

Did you know green juices such as spinach cleanses the blood & removes toxic metals from the body?

The Beautiful Pictures of Ancient Churches

The pictures of ancient churches have been included mainly to remind our readers God has not forgotten about His people but they've been with Jesus the King over Christendom-Israel all along.

At times we will feature a story on the history of one cathedral or church. We must note that because most of these structures are just so large, it is not easy to get a good enough view of any of it without cutting off part of the building view or shrinking it down. There are few good pictures of the buildings, which is why Rev Knott is so privileged to go to and experience many of these churches several times a year.

The First two photos are of St. Adian's Cathedral in Maastricht, Limburg, Holland, established around 360AD by St. Servatius. The existing foundations are from 1039AD.

The Photo to the right is the actual original structure of Aachen Cathedral, in Germany, built around 800AD by Charlemagne. Minor additions were made in the 1400's and some major decorations added in the 1700's. Both locations' treasures were filled with ancient artifacts. Several ancient items were photographed and are supplemental for Pastor Knott's new book: "**Kingdom Glory of Christ's Church**".

What About Attending Church Buildings?

In these latter day end times many believers are able to come up with a long list of excuses not to assemble for Public Worship services; but, be assured, it is still biblical and an urgent need for the survival of any community. (Many verses say God roots out the wicked & only the righteous will remain. Don't miss out on the benefits of the righteous!)

One of the greatest expressions of loving God and loving your neighbor as yourself is achieved in a congregational & corporate worship setting for, in-depth, united Christian prayer, Bible Study, Praise in Song, Fellowship and volunteering:

Psalms 22:22 "I will declare Thy name unto my brethren: in the midst of the congregation will I praise Thee."
Psalms 116:14 "I will pay my vows unto the Lord now in the presence of all His people."

Matthew 5:16 "Let your light so shine before men that they may see your good works, and glorify your Father which is in heaven." ***CHURCH GATHERINGS ARE STILL BIBLICAL!***

While, not to forget, an all important aspect of the church is all believers worldwide (called the body of Christ); we're going to discuss some Biblical aspects of making a local place of Assembly & Worship a priority in our outward evidence of Christian love.

Christians have been the light & preserving salt of good in the earth. Everywhere our people have gone and thrived is where we put a church as the center of our towns. In the perilous days of the 1500 & 1600's, church worship was held in higher importance than a television set in today's homes. It was so important to the people that countless legislations were put in place to protect the free exercise of the only imaginable religion of the time. The resulting regional & national prosperity & blessings from on high have had cataclysmic effects on the kingdoms of evil & darkness as well. Corruption could not exist in these areas of high Christian Cultural Society where the Bible and integrity were the foundation stones of the land. Local judges used Bibles for more than just swearing in. It was the guide for law and sentencing in every court until the civil war period. (The reason our courts started the tradition of saying "all rise" when a Judge enters the room was originally because the Judge would walk in carrying the Bible.)

These blessings go back to our ancestral father Abraham. Wherever he ventured it was most important to him to setup an altar to God, even in the midst of the Canaanites (notice he never tried to convert them Genesis 12:6-7, 13:4, 21:33. He called them "not of our kindred", commanding his sons not to intermarry with them. This may explain today why Christendom has only been European for over the last 2,000 years.) All the way through the pages of the bible we see a great importance placed on a place for public worship services.

Recorded over millennia, our people have also sought to consecrate special places for their same one God of Abraham and have flourished. The flourishing is all due to the graces of Jesus Christ who freely blesses His Christian people in the earth. No one can debate the fact our ancestral lands of Christendom are still dotted with many thousand year old churches, STILL STANDING IN GOOD CONDITION which are 1,500 years old and older. (the places the of which the whole world says are the most BLESSED; so everyone wants to flood our borders to share the blessings without joining themselves to Jesus or His law).

The whole world calls these nations "the richest peoples" but we get our surrounding blessings only by the good graces of accepting Jesus Christ as Savior and Lord, and additionally for being of the pure seed of promise. What most don't realize is what we mostly have is spiritual riches and overcome all the worst odds through Jesus. As we know all the early settlers of America gave up everything to risk their lives under the

most perilous circumstances of savage attacks and untamed land. There was no electricity, etc, like the modern migrant has today. Our people risked everything for freedom to practice this one faith of ***Christianity*** of our conviction. The only justification for such perilous risks was for freedom to practice Christianity as their hearts were convicted by the Spirit to obey Jesus. The earliest state constitutions of America all used the phrases of "Jesus Christ" and His law. The blessings that followed continued on for the last 230 years, as every good thing comes from God. Recognizing Jesus is the only way to God, that explains why Christian nations were so blessed. Evidence is how our people have always put up the great Church altars throughout the lands unto our God.

Drastic results are evident when this religion is undermined or replaced entirely by the floods of ethnic & cultural aliens, who now under the immigration act of 1965 and the Non-Ratified 14th Amendment can claim man-made "rights" to God's divine blessings. Third world peoples since 1965 are now permitted into our lands. Europe around the same time also started their "guest worker" program, for the first time letting in the third world ethnic cultures & religions to have access to our divine inheritance.

They don't realize our people have always been of small towns and hardworking. Most slaves in early America were white (Biblical Slavery, Indentured Servants) since our culture has always respected hard work. Most people today would wrongfully call the majority just poor farmers. In reality farmers are the rich, and one day with all the food shortages, they'll be the richest. We always built our own houses, farmed our own crops, stored our own food, were discrete, separate from worldly affections such as money. We were happy with the fruits of our labor, with Jesus and our quiet life of peace, separate from the world as commanded by scripture.

Yet alien floods are coming here for selfish reasons only, (not risking all for Christianity) and their beneficiaries have campaigned to impose a destruction of all cultures through mixing. We seek to preserve all cultures but this is not allowed by the Central Bank profiteers that are behind all the wars of history. Since the immigration acts of 1965, they imposed the first ever open third world immigration standard where these financial players in media and every area of enterprise make us meat for them to eat, feeding solely on immorality and off the destruction of all things good and decent of our Christian culture. (Yet they cannot prevail over a Christian who has faith in God, for all things are possible to them that believe.)

Now, very few corners of our lands are safe places to raise children due to the tearing down of our cultural & historic faith. One example is how black Islam rooted out all the original inhabitants of Los Angeles, Detroit, and Washington DC. (Which they themselves proudly proclaim they did WITH VIOLENCE AND GUNS. Muslims around the world celebrate this as a great Muslim Jihad victory for Islam and their conquest against Christendom). Now 30 Million illegal aliens from Mexico have moved into all these cities to utterly remove any remnant scraps. Even American suburbs have become these deathtraps, totally against the biblical model and common sense towns in the rest of the world, such as European modeled towns. "Woe unto them that build house to house, that lay field to field, till there be no place.." (Isa 5:8)

The promise of our seed remaining & being established in the earth while the wicked are rooted out is all held together by small town church communities and down to the Biblical families. God's word and the test of time has proven such. Many Government Empires have come and gone but the Christian church remains as well as the small community's families that comprise it. Pagans & Atheists die out from lack of children and unhealthy lifestyles. While Christian Families who follow the bible, will multiply, prosper, and replenish the earth.

It is evident to all why our people are blessed, and what is the blessed quality of our "cities of Jerusalem" (Isa 2:14-17). Many early visitors to America commented on the beauty of our worship and preaching to live by the laws of our God, the Eternal Jesus Christ. Again, history repeats itself; that our people are collectively punished for their disobedience. Yet God works this all out for His own will; His people are brought low only so that they might be exalted. Obeying the decree to not forsake the assembling of ourselves, will be very rewarding. Keeping the Sabbath is one of the highest commands with the highest rewards.

Hbr 10:25 "Not forsaking the assembling of ourselves together,...."

Where is Armageddon?

Revelation 16:16 *“And He gathered them together into a place called in the Hebrew tongue Armageddon.”*

Many have written and preached on where Armageddon is to occur. Some contend it will be local and personal spiritual battles that occur around the world with all the Saints. While I don't entirely dismiss this doctrine I also want to point believers to the age-old more literal and Biblical view of foreigners fighting in the ancient land promised to Isaac and Jacob (Not Ishmael or the Arabs): **“extending from the river Egypt to the Euphrates” (Gen 15:18)**

“Remove not the ancient landmark” (Pro 22:28) “In Isaac shall thy seed be called” (Rom 9:1-3)

While many assert that corrupt Israeli Zionist elites have gained control over our Governments and are part of the Anti-Christ, I assert that while that may be true, God remains in control over world issues and fulfillment of Bible prophecy regardless of what person He puts in power. Many say the 6 Billion a year in direct aid and Trillions in wars to protect Israel over the last 60 years, is proof enough that Zionists have seized control over America. However, I say this is more evidence they're the 53rd state in our union with GOD in control. That is regardless of the current occupants. God has given us specific landmarks that are for ever, no matter what we think. (note: Jacob & Joseph refused to be buried in Egypt, but only in that land promised to their seed for ever. They believed God when He said **“For Ever”** in Gen 13:14-15)

There are many reasons people today fail to understand the Defensive Crusades which responded to Islamic conquest. Not only do many fail to realize Israel has been a Christian land for many centuries, but also that it wasn't until Eastern and Southern European lands were first conquered and enslaved under Islamic law that we responded with Crusades in order to liberate our Christian brethren. So many of our populace have never heard this, and think it has always been Arab land. If America was conquered by Mexico today, then 100 years from now probably no one will have heard of George Washington either. People in those days knew what they stood for when they were liberating their Celtic & Saxon Christian Colonies in the East, but today it has become a point of confusion through lack of education. European descended peoples do not try to keep track of these or any wrongs committed by enemies against our people, while our enemies who are very vocal, play on our compassions and make long lists of every little thing we've done in our history which they hold against us. Sworn enemies do this while they currently commit even worse atrocities. The media has an agenda also to keep our people living in guilt and thinking we're the only ones who are brutal; but never to even imagine others could possibly be worse. We are brainwashed into handing over the protective foundations, such as friendly segregation, our forefathers have laid, and to surrender and forget any memory of them. Under this false guilt complex the status quo is to cast away our Inheritance & Birthrights, giving it all freely to hostile foreigners. How much worse do things need to get in order for our people to awake to such urgent realities as the survival of good? (God's Spirit lives in Christian peoples, which is why only Christian Nations aren't third world nations.) We're the ones called by the name “Christendom” for over 1,500 years. The only ones Satan wants to “accuse” are our “brethren” and he's not concerned with attacking non-Christian peoples. He wants to promote non-Christians to attack us that “..have the testimony of Jesus Christ and Keep the Commandments of God” (Rev 12:17). Most other countries can't even claim to have had a Bible in their land even 100 years ago, but we still have 6,000 copies of Greek Bibles that date nearly 2,000 years ago spread all across our lands. Catholic records show we didn't even attempt to evangelize anywhere outside Christendom until the 18th Century.

“Proclaim ye this among the Gentiles” “..Assemble yourselves all ye heathen...” “Come all to the valley of Jehosephat where God will judge.” (Joel 3:9-11) (we know Gentiles are the Multitude of Mighty Nations of the TWELVE TRIBES of Israel, rather than just the ONE TRIBE of Judah. In Latin the word gentile is “gentilis” (Definition: “race, tribe, people, clan or stock.”), used in old & new testaments when speaking **strictly & only about**

Israelites, and even the tribe of Judah was called gentilis, same thing with Greek and Hebrew. In English it was translated as nation and gentile, and heathen, but the Bible uses it to name Israel's chosen seed. Write the Christ's Assembly for a listing of the verses which are unmistakable. You'll find gentile exclusively refers to the Great Israel Nations, while if it ever speaks about a non Israelite it will be very specific, and is almost non-existent.)

The heathen & gentiles of Joel 3:9-11 being those of the most blessed Israel nations (Western Christian Nations) agrees with nearly every Evangelical Church that "Israelites will be the ones in the Battle". We will be re-gathered to this "VALLEY OF JEHOSEPHAT". We already have forces, and battleships off the coasts of Israel. Also surrounding in Iraq, in Afghanistan, Lebanon, Kuwait, and only expanding.

WHERE is this "VALLEY OF JEHOSEPHAT" that this great battle of Armageddon is set to take place? Where is this Battle spoken of in Isa 31:1-8; 63:1-6; Joe 2:1-11; 3:9-13; Zep 1:14-18; 3:8; Zec 12:9-11; and 14:1-3?

The "Valley of Jehosephat", "the place of Armageddon", and "the Kidron Valley" are all one and the same. "A place east of Jerusalem extending down to part of the Dead Sea." (Zondervan's Bible Dictionary)

God said many of us Saints will re-gather during the great time of Jacob's trouble to the land of our Fathers in Jeremiah 30:3 & verse 7. See also Jer 16:14-15; Isa 11:10-12; Eze 11:16-17; Eze 20:41-42; 37:21-25; Mar 13:24-27; Luk 13:29; which speak of the **"re-gathering in the land of our fathers... during the worst times our people have seen.."**. Matthew 24:29-31 shows how it will take place, that angels will gather His elect, and Isa 59:20 again reiterates it will be during Jacob's trouble when we call out for Jesus Christ the King.

For centuries most mainstream denominations have forgotten the promises God made to His people Israel and their re-gathering for the restored Kingdom of God, and it is kept as a mere footnote in their theology.

Jesus taught the "Gospel of the Kingdom". When Jesus taught the gospel of the Kingdom everyone was healed, see Matthew 4:23, 9:35 24:14, Mar 1:14-15, and Luk 9:11. The Kingdom is not just spiritual salvation. Spiritual Salvation & Rebirth however is an important part of being able to receive the things of the Kingdom. The Kingdom Message is more about living today as Ambassadors on earth than it is about the afterlife.

Most of today's churches have lost all sight of the Biblical Kingdom of God message that Jesus and everyone in the New Testament taught. They taught the Kingdom is under assault and has been. The kingdom is God's people Physical Israel, with their God and His law. This is how people were healed by simply hearing the Kingdom taught in the above passages, because they would learn there was a warfare to kill them, and would become wise to escape it and be restored. This war against God's children started with satan's children back in Genesis 3:15, and will continue until the great day of Armageddon. Sin is promoted by satan's children, causing death and destruction, and is an assault upon the Kingdom of God. 1John 3:4 tells us the definition of sin, "sin is transgression of God's law". His law was "commanded to a thousand generations" (Psa 105:8) which will not be fulfilled for tens of thousands of years after the millennium and reestablishment of God's Kingdom in the earth. No longer are people interested in the redeemed of literal physical Israel, gathering in the land of their fathers, or a restored Kingdom of God in a new heavens and new earth, the real Gospel of the Kingdom. Satan has blinded them to it so they can be robbed and destroyed. Millions within Denominational Churchianity place their total focus on a multi-racial gentile church, with a chief goal of dying and going to heaven. Such doctrines started in the dark ages, has anything changed?

Pastor Leroy Crouch Audio Sermons

Pastor Crouch - 1936 to 1999

Pastor Crouch delivered 40 years worth of sermons dealing with the “Glory” of God. He was commanded by God to teach the book of Ezekiel and the Cherubim of Glory being the image of every Christian. He said He was literally taken to heaven like Paul, who went to the “third heaven”, like Elijah who went “into heaven” by a chariot of fire, and like Enoch who walked with God and was no more. We believe He was in fact taken to the throne of God and was given the revelation of the book of Ezekiel and book of Revelation where it speaks of the fullness of life, the Cherubim of Glory. The four Chai who are redeemed by the blood of the Lamb in Revelation 5:9. This purely has to do with Christians learning what they are and how to operate in the Glory in every and any situation for victory in Jesus Christ. Yes he spent 40 years without exhausting even a fraction of the subject, all within the mainstream Gospel message of Jesus.

Dear Friend in Jesus Christ,

To make sure you're subscribed for the next edition of the Newsletter please request it. We make the below form available for your convenience. If you also want to be a part of sponsoring more books to go out in the free book campaign let us know. Here are some of the opening words in the cover letter we send with each book:

We know of approximately 3,000 book titles written in support of this same conclusion, the Western Christian Nations being the only Israelite Nations of the Bible, and the implications are major as we will show you from the Bible. This one title nicely covers aspects that are contained in many of the books, and we do have a whole library of others available on our online catalog. Many of the books we're also making available FREE. The books can be viewed at www.ChristsAssembly.com. As more titles are added it is announced via the Mailing List subscription links.

Anyone can see that no Western Christian Country is a third world country. It is because of our Israelite "cultural heritage" that God blessed our nations, and left the other nations out of the blessings & prosperity. Why and how? God made promises to our ancestors, some conditional, some unconditional, and some based on Grace through having our God as Jesus Christ, the only God of the entire world. Since it was our people that were parties to these covenants (or promises) of God, so we also have been the most blessed, protected and prosperous nations of the world. All prosperity is through divine providence as the Holy Spirit enables people to do good works, not by luck or chance. To fulfill God's word, the Holy Spirit has moved upon people, upon weather, upon inventive minds, spirits, and even people's wills to fulfill God's promises to bless the Western Christian-Israelite Nations of the Bible.

Our heavenly Father, the God of Israel, chose Israel as His servant nation (who are called a multitude of mighty nations in prophecy) to be his witnesses to all the nations of the earth. As we have stayed within our divine calling we have been the most blessed nations of the world and, in fulfillment of prophecy, have been a blessing to all the nations of the earth. We have set up colonies to help prosper all other nations in the world, bringing them up out of the worst savagery, bringing them food, massive farming enterprises, clean water, clothing, sanitation, and the message of Jesus Christ and His Kingdom. In every case where these "Helpers", these "Servants" are thrown out of their country, such as in Zimbabwe, one of the richest countries in Africa, mainly in farming and feeding the world, there is collapse. Now Zimbabwe cannot feed themselves, and has become one of Africa's poorest countries. They savagely took small white Christian family-farms, evicted the families, and handed farms over to non Christian indigenous peoples who let it all go to waste. Our own people for the first time have supported such unChristian moves as "black empowerment", when that is a myth. They had more "power" letting the whites do the farmwork.

Our people have forgotten who we are and why we are here and what we are supposed to be doing. "Thy Kingdom come, Thy Will be done on earth as it is in Heaven." His will is His word, which says we're to be Helpers, Ministers, Leaders, Servants to the other nations. That through us other nations are blessed (Gen. 22:18). Yet lately there has been a false guilt for "helping" the other nations. Blatant nonChristian propaganda has been believed and caused an overthrow. Since the Blessings are only with those descendant of Israel, the rest of the world now wants to flood our borders, and reap the spoils of the destruction of our Christian Culture & Civilization.
