The Festival Calendar

(Whether you decide to honor them or not, just remember GOD HONORS THESE DAYS, even when He comes back, and even in the new heavens and new earth ALL are still required to “assemble” on them saith the word of YAHWEH in many events He says will happen after the new heavens and earth, that we assemble on Tabernacles for example. “Assemble” or “Church” is the word for ecclesia, also in Hebrew the word Miqra, for “holy convocation”, as only associated with these feast dates and the 7th Day of the Week, not the abomination of the Roman pagan first day of the week, or the other pagan days. God says in many scriptures if we do not keep the feasts we will lose out on many rewards in this age and the next until we repent and honor the days YAHWEH is honoring as higher and holier than all others, and has commanded us to also esteem above all other days. Obedience is the only option, don’t let anyone judge you for obedience, but defend it with the truth, not the lies of Rome.)

1Th 5:21 “Prove all things; hold fast that which is good.”

Current Outreach

Our tracking shows that over the last 30 days 10,000 unique people had read this E-Newsletter.

God has prescribed the Christ’s Assembly is forbidden from being solely in print, in fact He abhors print-only ministries. We must gather together in His name physically on HIS DAYS. He allows only temporarily for some of us to be at the minimal live participation via telephone calls, and chatroom via internet radio broadcast.

We provide both needs via various churches around the world. It is required that we gather together in His name on the weekly Sabbath and the seven annual high holy days. Rebellion from His law will make us fall short and miss out on rewards in the earth for us to be part of His establishment of the Kingdom on earth(Matthew 5:19). We have hundreds gathering together in all regions of Israel-Christendom.

If you’d like to find a local assembly that knows they are Israel and gathers in His name on the correct days send us an email at Minister@christsassembly.info . Otherwise if you would like to form an assembly in your area you can also go through our ordination process at www.ChristsAssembly.com .

Armada For Monks' Kingdom Duties

The Christ's Assembly is currently in search of two vessels that have substantial living quarters and will dock near the Barendrecht Abbey site, near the Culdee Hill (as above).

They will be used primarily for Missions to growing our assemblies in the British Isles where Yahshua spent the majority of His life, and used for missions to the lands of our Ancestor Jacob-Israel in Palestine.

The vessels will contain sufficient sleeping quarters for at least two monks each, who work full time in ministry on missions between our Priories and Abbeys that are expanding throughout the world.

Any trips to South African churches will be travelled via the Western route to avoid pirates.

The Silver Bullet

The financial meltdown of the American economy has caused many Americans to consider what steps they need to take in order to remain financially solvent. Millions of Americans watched their paper wealth vanish in the plunging stock market. In an effort to avoid future losses many Americans are pushing forward in the acquisition of rural farm land (God is not making any more land) and other investments that cannot be stolen from them by the rich banking cartels and Wall Street movers and shakers.

Gold, for example has tripled in value since 2001, beating out almost all other investments. Many experts believe that **silver** is about to explode and burst forth as one of the best investments of the day. Silver and money are synonymous in the Old Testament. Gold and silver have never been worth zero, and both of these metals have thousands of years of reliable backing behind them. The reasons that **silver** may be the silver bullet in your family portfolio are these!

- 1) There is less silver in the world today than gold.
- 2) Silver has been undervalued for a long time, so it is time for this metal to explode in price.
- 3) The industrial uses for silver are drying up the silver stocks throughout the world.
- 4) The surge of people going to buy silver will increase as the economy deteriorates.
- 5) Silver is easily recognized and is an excellent storehouse of value in trade and commerce.

Many silver experts are anticipating silver prices to soar from their current levels to all-time highs. **Food reserves may be the only tangible item that is of a higher priority than silver.** (B.A. Wiseman)

Note, for America www.nwtmint.com is providing the lowest cost coins, as government minted coin is easiest to prove the purity and value. For Europe www.zilver999.be seems to give the lowest price. For electronic trading you can get a free gram of gold and start now at Bullion Vault. If you use this link <http://www.bullionvault.com/#STEPHENK> the Christ's Assembly will get a 00.2% commission of trades, but with bigger trading, such as those who have used \$30,000.00 in a calendar year, we only get about 00.02%, as this service provides very lowest cost trades. All commission will go directly into Ministry Bills.

Physical possession of easily provable silver coin is probably the best way. www.NWTMINT.COM even offers ½ ounce silver coins, which can be used for almost any bartering situation.

A message from the editor of the Good News of the Kingdom E-Newsletter.

I thank you and all our readers for your continued prayers and letters for this expanding ministry that "Seeks First His Kingdom"(Governance). With the upcoming National Confession movement Telethon, an Evangelist in God's church has written us that we add to the list that people are not using the Sacred name of YAHWEH etc, as part of the national sins. We definitely will add that people are not using His name, but there are over 300 variations of His name, and everyone says theirs is the correct way. We have studied what we believe is the correct way, however it is not a sin to use the modern English names that are close enough. However, the sin is "forgetting His name", that will be used in the REPENTANCE broadcast, because His name is not "Lord", that is a title. His name is YAHWEH.

I thank our supporters, as He has promised when we place in order everything in our lives, that we make His Kingdom-Governance FIRST, then all these other things will be added unto us. (**Matthew 6:33**). As He gave us to pray that His Kingdom Governance is executed in the earth, the same way it is executed in heaven, as known in the "Lord's prayer". We too must make room for His will to be performed in the earth, His will is His word or law.

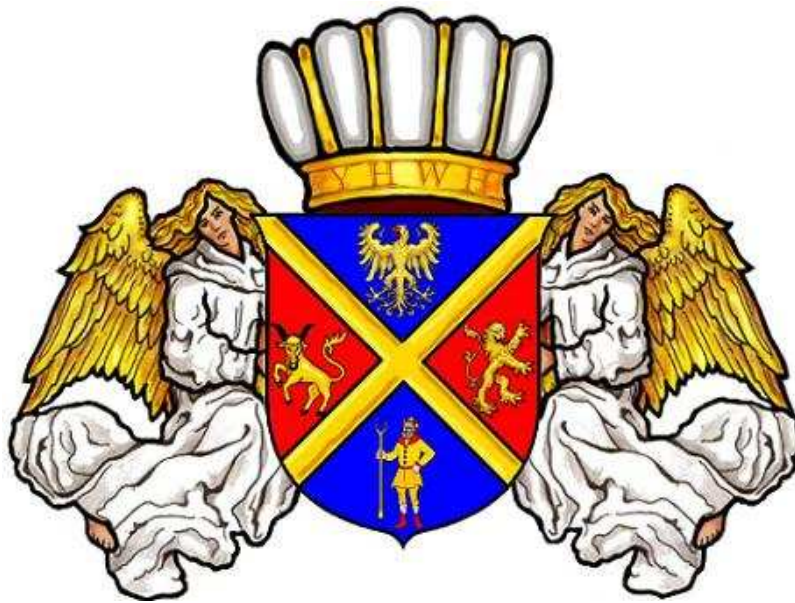

We must support and band together as God's one church, that has given,
Eph 4:11-13 “..and he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;

For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:”

(Since we all aren't in the unity of THE faith, He still has levels of Priests and Bishops in His church.)

We recognize many churches(assemblies in His name), especially the ones in them who have that humble willing heart to do all that His word teaches, fully yielded to Him, as demonstrated in our last broadcast “A Living Sacrifice”, now archived at www.ChristsAssembly.com . As we are all growing in grace and knowledge in Him until we come to the fullness.
